

Ref. 63879 - EAN 8411344638798

DUROLIGHT TABLETOP Ø120 NATURAL OAK

DESCRIPTION

The Durolight tabletops are an ideal option for indoor use due to their resistance, and perfectly combinable with the range of Resol Contract. They are made of melamine with a resin coating on the surface, which protects them from scratches and high temperatures (up to 180°C). The edges are ABS sealed in order to guarantee a perfect and resistant finish. (Tests carried out showed that more than 1.5 Newton is necessary to achieve scratching the surface and 350 rotations in order to show wear.)
